## OUR LAST MEN'S BREAKFAST AND MEETING

We had a wonderful men's breakfast on Jan. 21st with scrambled eggs, biscuits, sausage gravy and coffee cake. We talked together about the planning agenda for this new year.

One of the things we talked about was bringing back scripture readers and having greeters on the Lord's day. It was decided to start this beginning on February 5th, this next Sunday and going forward. We want to thank all of those who have filled out a members activity sheet for us to know what members are willing to do in helping with our service. If you did not fill one of these out please let Mary the secretary, or one of the elders or deacons know so that we can get you one.

Another thing we talked about was having a work day around the building and inside the building to be prepared for our gospel meeting come April 2-6. The schedule was made for Feb. 18th as the best time for us to do this. If you are willing to help in any capacity, we would love to have you come and help in any way. Any tools you may have and can use for around the outside of the building would be helpful. We will try to have many cleaning products for the inside to be used.

It was also decided to have a fellowship dinner on the 19th of February right after the morning services and all are welcome to bring your favorite dishes of food enough for your family and a visitor. We look forward to that time of food, fun and fellowship.

We began a new converts class at the first of the year for those who were just recently baptized in order for growth in the Lord and to understand the aspects of the church and worship. This will be an ongoing class with different teachers on a rotational basis. Our first teacher is Mark Bernhardt and we appreciate him so much in taking on this class. We are also so thankful for our new converts and their willingness to want to learn more about being a Christian.

We will be having a Gospel Meeting with Allen Webster as the speaker on April 2-6, 2023. That is a Sunday thru Thursday as to give you many opportunities to invite many of your friends and family to hear the gospel of Christ. The theme of the series is "Reigniting the Fire! We are looking forward to such a great series and the time of fellowship. There will be also a fellowship dinner right after the morning services on April 2nd that Sunday. Bro. Webster is the one who writes all the articles we see in our bi-monthly paper called "House to House". We have been fortunate to be a part of this great publication for at least 10 years. We have had many to respond from the community because of this paper. Allen has also wrote many of the tracts that are in our tract rack in the foyer. Be sure to be here at every service during this meeting.

We also talked about a Song Leader class in the summer for those Christian men who are wanting to know more about music and the ability to lead us in our service. We are very thankful for those who have been doing this over the years. There is a need for more to help in this area if possible.

A front sign from Thomas Sign and Awning has been secured to replace the sign after the

damage caused by the past few hurricane winds. We are hoping for a completion date at the end of February or the first of March. It is possible that our first message that will be displayed is about the Gospel Meeting with Allen Webster. We are looking for volunteers to help in changing the messages on a two week schedule after that time. The sign will have three lines with 6 inch letters for the messages. All of the messages will be already approved by the elders and placed on a list for posting. A big thanks to those who have donated to see this in completion. There have been many even in the community that have donated also!

We thank all for their help in these things as we look forward to this new year of work and worship! Any questions please direct them to the elders.

Here is a artist rendering of what the sign might look:
