

WHO IS GOD? - DISCUSSION QUESTIONS #1

1. Is atheism something that happens by accident?
2. Is it possible to fully understand God? Why or why not?
3. What do we mean when we say that God is incomprehensible?
4. What illustration would you give someone to better explain how our finite minds cannot understand an infinite God?
5. What are some different types of metaphors that God uses to explain Himself to us?
6. When reading metaphorical descriptions of God, what is the difference between understanding them literally and understanding them as true?
7. What are some of the dangers of understanding metaphorical language about God literally?
8. Why is it so important to know God?
9. Why do you think so many Christians are experiencing stunted spiritual growth?
10. Is it possible to know God personally without knowing about God through His Word? Why or why not?
